Our company, with unflinching faith in our craft, unwavering honesty and ethical business practices delivers exceptional diamonds to our valued customers across the globe. This approach has strengthened our goodwill in the industry.

VISION

To establish ourselves as one of the most preferred luxury export houses across the globe.

MISSION

To deliver an unparalleled experience to our global clientele with products and services of the highest standards bolstered by unrivalled professionalism, conduct, honesty and accountability.

CORE VALUES

Trust | Ethics | Effort
Customer Centric | Excellence

NATURAL DIAMONDS

Natural diamonds are formed under the earth's crust in under three billion years and are aspirational for their rarity, value and absolute exemplification of status and love. We offer an exceptional range of natural diamonds. Please note, we deal in loose diamonds only.

OUR RANGE

- FL to I3 Clarity
- D to M Colour
- 0.18 to 50+ Carat
- 9+ unique shapes

LAB-GROWN DIAMONDS

Lab-grown diamonds are similar to its natural counterpart considering they possess essentially the same chemical, physical and optical properties. The only difference being that they're created within 4-6 weeks in a laboratory. We offer an exceptional range of lab-grown diamonds. Please note, we deal in loose diamonds only.

OUR RANGE

- VVS1 to SI3 Clarity
- D to J Colour
- 0.05 to 20 Carat
- 9+ unique shapes

WHOLESALE AND RETAIL

We serve customers across all domains and cater to their specific requirements. We simultaneously offer diamonds on a retail and wholesale basis. We offer loose diamonds on a retail basis to customers who wish to purchase diamonds for their personal use or treat diamonds as an investment. On the other hand, we also cater to businesses and offer diamonds in bulk on a wholesale basis. Having said that, in either cases, we diligently adhere to our policy of offering fair prices.

CERTIFIED & NON-CERTIFIED

Diamond certification instills confidence in buyers, assuring them of a diamond's quality and authenticity, and serves as a guideline for future value. Our natural and lab-grown diamonds (0.30 carat and upwards) have either been certified by the **Gemological Institute of America (GIA)** or the **International Gemological Institute (IGI)**. If you choose diamonds under 0.30 carat and wish to get them certified, we will get them certified from either of the abovementioned gemological laboratories. This service is complimentary, you will not have to bear any additional charges for the same.
